ELECTION UNDER 35 U.S.C. § 121

Mail Stop Amendment Hon. Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

In response to the restriction requirement set forth in the Office Action mailed June 9, 2009, having a shortened statutory period for response set to expire July 9, 2009, wherein the Examiner required restriction between the following distinct Species:

Species I - Claim 3, Figure 1; and

Species II - Claim 4, Figure 2.

Applicants elect Species I (Fig. 1), with claims 1-3 and 5 readable thereon, for initial prosecution on the merits. Applicants also reserve the right to file a Divisional Application for the non-elected claims which the Examiner has indicated are patentably distinct.

Application No.: 10/577,494

Applicants believe that no extension of time is required. However, this conditional petition is being made to provide for the possibility that Applicants have inadvertently overlooked the need for a petition for extension of time.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0417.

Respectfully submitted,
